

# **How to download and install Adobe Digital Editions**

\*General Guide

\*Screens vary according to the version of Windows you are using.

You can download ADE from the Atwater Library eBooks website:  
<http://atwaterlibrary.lib.overdrive.com>

Or, go to [www.adobe.com/products/digitaleditions/](http://www.adobe.com/products/digitaleditions/)  
and click on **Download**.

## Click on the **Install** button

The free download (Windows® and Mac OS) takes less than a minute to install over a broadband connection.

If you have trouble installing Digital Editions, see the [installation TechNote](#).

### TOP FEATURES

- Interface designed for digital reading
- Fast, free download
- Standalone installer
- Content portability
- Support for Sony® Reader
- Powerful markup features
- Support for PDF and EPUB, a reflow-centric XHTML-based format
- Support for borrowing eBooks

When the Setup Assistant starts, click on Continue

If you don't have an Adobe ID, click on **Get Adobe ID online**

ADOBE® DIGITAL EDITIONS

Digital Editions makes it easy to transfer protected eBooks between multiple computers and mobile devices. To enable these features, you need to authorize each of your machines with your Adobe ID. [More Info](#)

If you don't have an Adobe ID, it's free and easy to [get an Adobe ID online](#)

**Authorize Computer (Recommended)**

This option enables you to read protected items that you download with Digital Editions on up to six computers and mobile devices. It also enables you to restore your eBooks from backup should you ever need to re-install your operating system.

Please enter your Adobe ID and Password below, then click Activate.

Adobe ID (email address)

Password

[Did you forget your password?](#)

**Don't Authorize Computer**

With this option, protected items that you already have or download later will be "tied" to this particular computer, will not be readable on other computers or devices, and can't be restored from backup if the operating system is re-installed.

Go Back Cancel Activate

## Click on Create an Adobe Account

The screenshot shows the Adobe website's sign-in page. At the top, there is a navigation bar with links for Products, Solutions, Learning, Help, Downloads, Company, and Store. Below this is a search bar and a 'My' profile link. The main content area is divided into two columns. The left column is titled 'New to Adobe?' and features a prominent yellow button labeled 'Create an Adobe Account', which is circled in red. Below the button, it states 'It's free and only takes a minute' and 'Get complete access to:' followed by a list of benefits: Free trial downloads, Hundreds of free product extensions, Community areas, Members-only white papers and downloads, On-demand seminars, and Manage your activity in the Adobe Worldwide Store. The right column is titled 'Returning members sign in' and contains input fields for Adobe ID (with a note '(Usually your email address)') and Password. It also includes links for 'Did you forget your Adobe ID?' and 'Did you forget your password?', a 'Remember me' checkbox, a yellow 'Sign in' button, and a link for 'Need help logging in?'.

## Register your Adobe account

Enter the required information in the boxes marked with a red star

### Join Adobe

Adobe Membership is free and registration only takes a minute. As a member, you will have access to trial downloads, hundreds of free product extensions, and special community areas. Your membership also allows you to view and manage your activity in the Adobe Worldwide Store.
